## Welcome to Tattoo Hawaii!

Our friendly, knowledgeable staff is happy to help you create the right tattoo for you. We will work from studio selections, custom artwork you bring to us, or help you design something totally unique and personal. Please feel comfortable in contacting us or stopping by with any questions regarding tattoo procedures. We are dedicated to a clean, friendly atmosphere where everyone feels welcome.

## International Award-winning Professionals

As licensed tattoo artists in Hawaii, we are proud of what we do and how we do it. Each artist has been professionally trained and schooled in blood borne pathogen and disease prevention. Our staff practices Standard Precautions in all phases of our business to assure your safety along with our own. Single service needles, tubes, and pigment trays are used once and only once. Acquiring a new tattoo is an experience filled with excitement and maybe a little apprehension. Please ask any questions you may have. We want to help you make an informed and responsible decision.
